

GCSE Post Results Services – Summer 2025

Exam boards have a variety of services available after the issue of results.

You can only have a written paper reviewed, not coursework/practical exams.

Enquiry's about results:

Service 1 – Clerical recheck

A check is made of all clerical procedures which lead to a result being issued.

Checks include: all parts of script has been marked; totalling of marks; recording of marks.

Outcome will take approx. 10 days.

Service 2 – Review of Marking

The exam script is sent to another examiner and checked that the previous examiner marked externally assessed components correctly.

Changes to marks will only be made where there is an administrative or marking error but not where the original mark is reasonable.

Marking errors can occur as a result of: an admin error; a failure to apply the mark scheme where a task has a 'right' or 'wrong' answer; an unreasonable exercise of academic judgement. The checks will also include the clerical rechecks detailed in service 1

Outcome will take approx. 20 days

- Please note grades may stay the same, go up or down.

Access to scripts

Priority script

The exam board send us a scanned copy your script.

Some exam boards offer this option to get a copy of the script back quickly.

This is often helpful in deciding whether to go for a review of marking or not.

Should be returned to us within 10 days.

Non-priority script

The exam board sends your original script/photocopy of your script back to us.

This can take longer – should be returned to us by 3rd Nov

Please note if you request a non-priority script you cannot then ask for a review of marking.

Please see overleaf for prices and deadlines
