## Extensions to Cambourne Village College

### Community Consultation Invitation

Cambridgeshire County Council is consulting on proposals to extend the accommodation at Cambourne Village College. The school have been working closely with the Council's appointed consultants to develop these proposals, to ensure that these meet the school's vision. A consultation event will be held on **Thursday 14<sup>th</sup> January 2016 from 3.00pm-7.00pm** in the school's Henry Morris Room. You are invited to attend to view the development proposals. The project team and representatives of the school will be available to answer any questions you may have, and would welcome the opportunity to receive your feedback on the proposals. If you are unable to attend on Thursday 14<sup>th</sup> January 2016 from 3.00pm-7.00pm, you will still be able to view the plans, which will be displayed at the College until **Friday 29<sup>th</sup> January 2016**, and to provide any comments on forms which will be available. Please contact the College 01954 284000 to make an appointment. The plans can also be viewed on the College website: [www.cambournevc.org](http://www.cambournevc.org).

The feedback gathered as part of this consultation plays a crucial role in the further development of the scheme prior to plans being finalised and a detailed planning application being submitted.

The proposed development includes:

- Extending the existing five form entry (5FE) school by two additional forms of entry to 1050 pupils (7FE).
- Provision of a new purpose built performance hall for the school and community use
- Remodelling areas of the school to improve adjacencies
- The construction of an artificial turf pitch for Hockey

We hope that you will take this opportunity to participate in the ongoing development of these proposals, and look forward to the opportunity to discuss them and gather your feedback on **Thursday 14th January 2016**
