Cambourne Village College

IT Technician

Required for September 2019

Salary: NJC Grade 6 (range 18-22) £24,313 to £26,317

Contract: Full-time and permanent (52 weeks)

Hours of work: 37 hours per week
8am to 4pm Monday to Thursday, and 8am to 3.30pm Friday.

Part of The Cam Academy Trust; Cambourne Village College is a school growing in its IT ambitions.

Cambourne Village College is going through a major review of the technology it is currently using; primarily looking to move its core services to the cloud and exploring the use of mobile devices. The College was the first academy within The Cam Academy Trust to be fully working on the new Trust based Office 365, and as such, is our example demonstrating how other academies in the Trust would work.

We are looking to appoint an IT Technician to support both staff and students in all aspects of IT. You will be passionate about IT, work well both as part of a small team and under your own initiative. This is an exciting opportunity for anyone looking to expand their knowledge and gain experience in all areas of IT. The successful candidate will be part of a team tasked with rolling out the Microsoft Azure Cloud and Office 365.

To apply for this vacancy and to see the job description and person specification please access our website: www.cambournevc.org/contact-us/vacancies

Closing date: Noon on Monday 19 August 2019

The school reserves the right to interview shortlisted candidates during the application window (if applicable).

Our school is committed to safeguarding and promoting the welfare of children and young people, and we expect all our staff and volunteers to share this commitment. Appointment to this post would be subject to an enhanced DBS check and satisfactory medical and employment references.
