

Welcome Year 6

Each day there will be a variety of taster lessons for you to work through. These will all be collated onto one power point with links to the different materials.

There will also be a couple of pastoral sessions from your Head of Year to introduce you to the school and for us to get to know you.

Please complete as much as you can. If you are struggling with anything please don't worry- just do as much as you can.

Monday 22nd June

Optional extra: Music

- We're really looking forward to you joining Cambourne Village College – and teaching you in Music.
- We also hope that you might get involved in some of the choirs, bands, orchestras, and productions that we have going on!
- There will be 3 optional musical activities this week. You don't have to do any of them, or you might want to do all of them! But if you are able to send us some work, we are looking forward to looking at it!

Monday 22nd June

Optional extra: Music

Activity 1: Musical Performance

- If you already play an instrument, we'd love you to make an audio recording (not video) of you playing a piece on your instrument.

It can be any piece you like!

If you're a singer, we'd love you to send us a recording of your favourite song.

Once you have made your recording, ask your parents to email it to Mr Page (gpage@cambournevc.org)

Make sure the email includes your name! You might want to tell me a little about the piece / song you chose.
