September 2025

Year 6/7 Transition for September 2026 – Open Evening Thursday 23rd October 2025

When you leave your present school, we hope that you will want to come to Cambourne Village College. On Thursday 23rd October, we are holding an Open Evening and we would like to invite you to come along and bring your parents.

For pupils at Monkfield Park and Hardwick and Cambourne Community Primary Schools, the college will be open from **5pm to 7pm** with the opportunity to tour the school and view a range of interesting activities, which will give you a flavour of what life is like at Cambourne Village College. You will then have a talk about the College at **6.30pm** in the Performance Hall. We suggest you arrive at the Performance Hall at 6:25pm for a prompt start at 6.30pm, as these talks become very busy. Please also note that there will not be time to tour the school and visit departments after the talk.

We hope that you will come and visit us on 23rd October. Many of our pupils will be here to show you some of the work that they do. When you arrive, a QR code will link to a map and an Open Evening quiz sheet: try to find answers to the questions as you go around the school.

Parents and carers – please be aware that our approach road can become congested and car parking is always difficult on this very busy evening. Please walk or cycle, using the pedestrian access via Swansley Lane, wherever possible.

We look forward to meeting you.

Yours sincerely

Mrs Lynn Mayes
Principal
