Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email cam-absence@cambournevc.org by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absent on the previous day we cannot assume they are still at home poorly.

Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by cam-absence@cambournevc.org with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to cam-absence@cambournevc.org or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.

Message from Total Clothing:

Year 10 Oracy Project

On Monday 29th April, 25 Year 10 students took part in the Speak Out Challenge with The Speakers Trust and Anglia Ruskin University. It was a fantastic day, expertly run by a representative from The Speakers Trust. At the end of the day, the students used the skills gained to deliver a short speech on a topic of their choice.

From these speeches, five students were selected to move forward to the next round, which will involve them performing their speeches for a younger audience. One speaker will then move forward to the county finals, on 25th June.

A HUGE congratulations to all students that took part; they represented their year group and our wider school community beautifully and were a credit to us all. A special mention goes out to Bay, Grace, Jesse, Jacob and Ilani – our top five candidates that will now move on to the next round!

WORK EXPERIENCE

CAN YOU HELP?

We are already looking ahead to July and our Year 10 work experience placements. If you, or a friend or neighbour could offer one (or more!) of our Year 10s a work experience placement from 15th to 19th July, then

please get in contact with our Careers Coordinator, Mrs McCormack on vmccormack@cambournevc.org.

History

History Revision Space Every Thursday Lunchtime in BLUE 13:

Please encourage your children to come and complete some History revision in a quiet independent History study room! This will take place every **Thursday lunchtime in**

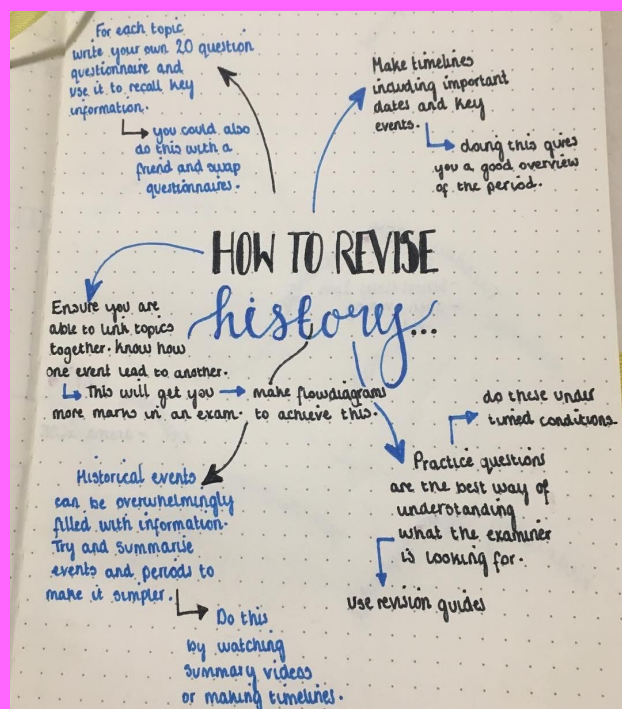

B13. There will be plenty of revision resources and materials for them to use. Ms Angell, Ms Clissold and Mrs Murray will be supervising the space and can help answer any History questions you have.

Pupils can eat their lunch in the room.

We highly recommend that they come along and get started with their revision in this supportive space.

If they are in Y10, they can come and complete your homework or start revisiting content learnt this term. If they are in Y11, encourage them to make the most of this time to revise for your upcoming exams!

Ask your History teacher if you have any questions.

BOOK RECOMMENDATIONS

Gaza Writes Back

By Refaat Alareer

Gaza Writes Back is a compelling anthology of short stories from fifteen young writers in Gaza, members of a generation that has suffered immensely under Israel's siege and blockade. Their experiences, especially during and following Israel's 2008-2009 offensive known as "Operation Cast Lead", have fundamentally impacted their lives and their writing. Their words take us into the homes and hearts of moms, dads, students, children, and elders striving to live lives of dignity, compassion, and meaning in one of the world's most embattled communities.

Looks at the specific worries and fears of teenagers.

Suggests positive strategies for healthy minds and bodies.

Includes websites and resources.

Music Clubs

All our music clubs are up and running – so if your child plays an instrument, or enjoys singing, then please encourage them to come along.

The following clubs will be running this term.

- Monday 3 – 4pm: CamVC Band – All instrumentalists welcome (Years 7 – 11)
- Tuesday 3- 4pm: Junior Singers (Years 7 – 9) – Christmas mini-production *tba*

- Thursday 3 – 5pm: School Production (Years 7 – 11)
- Friday 3 – 4pm: Senior Choir (Years 9 – 11)

Pupils are very welcome to come along and try any club they are interested in joining.

Instrumental & Singing Lessons

These will be starting next week, and everyone signed up for lessons will receive an email confirming the day and time of their first lesson.

If your child is interested in doing Instrumental or Singing lessons, there are still many places available. You can sign them up for lessons using the online form, found here:

[Instrument lessons - Cambourne Village College \(cambournevc.org\)](http://cambournevc.org)

Headphones for KS3 Music lessons (all pupils)

As part of the Years 7, 8 and 9 weekly music lessons, they will be continuing to develop their keyboard skills.

To enable pupils to do this with a minimum of distraction we ask all pupils to bring with them to lessons a pair of headphones or earphones that they can use with the keyboards.

We have reminded pupils of this expectation this week in lessons.

These headphones / earphones can be bought for as little £2-£3 from local shops like Morrisons, Home Bargains, or online from places like Amazon. We do not expect (and would strongly discourage) pupils from bringing expensive or bulky headphones with them.

We would expect that it might take pupils between 1 – 2 weeks to source some earphones / headphones, but after that it would be useful if they were ready to use them in lessons. If for any reason it is not possible for your child to bring some earphones to the lesson, please email (or ask them to email) their class teacher. In cases of financial constraints we will be able to provide headphones for pupils to borrow, if arranged in advance.

Mental Health Text Line

A new local mental health free text messaging support service has launched across Cambridgeshire and Peterborough. **HEAR 85258** is being funded by NHS Cambridgeshire & Peterborough, in partnership with the national service SHOUT.

The free to use text service provides real-time support to people who are struggling with their mental health across the county.

When texting the word HEAR to 85258, the person will be connected to a trained volunteer who will offer them calm in a time or place of crisis. During the confidential and anonymous conversation, the texter will be supported while working on a plan of action and signposted to local and national mental health services.

Texting HEAR to 85258 is free, discreet and runs 24/7. It won't appear on a mobile bill and requires no app, data, password, or registration. It is available for anyone who lives, works or studies in Cambridgeshire and Peterborough.

For more information about what mental health services are available in Cambridgeshire and Peterborough, visit www.keep-your-head.com

If you feel your or somebody's life is at risk due to their mental health, dial 111 and listen for the option for the mental health crisis team.

Safeguarding

At Cambourne Village College we work hard to make sure that we build up positive relationships with the pupils in our care and we hope that we can support families in safeguarding your children.

What is safeguarding?

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

What do we do at CamVC to safeguard your child?

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad

How can we help you?

If you have any concerns about your child or you would like any support, please contact us via cam-safeguarding@cambournevc.org

COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>
