## Reporting your Child's Absence from School:

If your child is unwell and unable to attend school you have a legal requirement to inform the school **on each day of absence**. If you are reporting your child's absence from school today, please can you email [cam-absence@cambournevc.org](mailto:cam-absence@cambournevc.org) by **8:30am every day of the absence** and leave a message clearly stating the reason for absence and the child's full name and tutor group. If you fail to inform the school, we are legally required to make contact with you, to ensure the child's safety. Even if they have been absent on the previous day we cannot assume they are still at home poorly.

## Appointments:

If your child misses registration for a medical or dental appointment, this is counted as an authorised absence. Please give advance notice, ideally 2 school days, by [cam-absence@cambournevc.org](mailto:cam-absence@cambournevc.org) with the dates and times the pupil is expected to be out of school and preferably with a copy of the appointment card/notification so that the absence can be authorised. As much as possible, pupils should be in school prior to/ after the appointment and out of school for as little time as possible.

Prior notification ensures the Year team and Reception staff are aware of your child arriving late / leaving early and the necessary arrangements can be put in place. If your child needs to leave early for an appointment, they should inform their teacher that they need to be excused early and make their own way down to Reception. The Reception staff will try to help locate children for appointments, but we do not always have someone available to do a collection from lessons.

## Planned Absence Request:

If you plan to take your child out of school for any other reason, a **Planned Absence Request Form** must be completed and returned to the school **10 days prior** to the absence for authorisation. Please email any completed forms to [cam-absence@cambournevc.org](mailto:cam-absence@cambournevc.org) or hand into our reception. The form can be found on our [website](#), or is available from our reception.

Please note that due to Changes to Section 444 of The Education Act 1996 brought into effect in September 2013, the Principal cannot authorise any term time leave unless there are **exceptional circumstances**.

**All pupils leaving early for appointments need to be collected by a parent to sign them out through our main Reception.**

Organised by CamVC in partnership with Cambourne  
Town Council

## **Changes to Homework Support:**

We are making changes to the Homework Support system, aiming for it to offer more support to students.

**PLEASE READ**

Thank you for all the support that you give your child with their homework and independent learning. We are very proud of the excellent homework our pupils do, and the fact that an impressive majority of our pupils meet all of their deadlines.

For those pupils who miss homework deadlines, we have always asked that they attend a Homework Support Session (HSS) to complete the outstanding work. Since our opening in 2013, this has most often been on the same or subsequent day, supervised by a member of staff not necessarily linked to the subject. We are now changing our approach, so that the Homework Support Session is linked to the subject. This means that pupils will be able to get specialist help, should they need it, with the homework for which they missed the deadline.

If your child misses a homework deadline, you will be informed by text message, and BromCom will record the subject of the incomplete homework, and the day, time and location of the HSS. We appreciate you reminding your child of this, and encouraging their attendance.

A further change to our previous approach is that, if your child misses a deadline but subsequently completes the work before the HSS, they will not be expected to attend the session. They must, however, submit the work to their teacher in advance of the HSS, or arrive to the session with it completed, in order that they are removed from the register.

As ever, we encourage pupils to seek help with their homework from teachers before the deadline, and we continue to set homework over a timeframe that enables this. We also aim that homework tasks are manageable for pupils and appropriate for their ability. We consider that homework is an important element of pupils' learning, and that helping pupils to develop independent learning habits is really helpful for them.

Again, thank you for all that you do to support us in this.

For your reference, the timetable of HSS is below. This new approach is being trialled and evaluated over the rest of this term.

**Science Homework Support** = Monday, 3.05-3.45pm, Sc12

**English Homework Support** = Tuesday, 3.05-3.45pm, En11

**Photography Homework Support** = Tuesday, 3.05-3.45pm, SF Photography

**Non-core\* Homework Support** = Wednesday, 3.05-3.45pm, Comp03

**DT Homework Support** = Wednesday, 3.05-3.45, DT06

**Computer Science Homework Support** = Thursday, 12.40-1.15pm, Comp02

**Maths Homework Support** = Thursday, 12.40-1.15pm, Comp02 and Comp03

**MFL Homework Support** = Friday, 3.05-3.45pm, Comp03

\*Other subjects not listed will share this session – for example, Humanities subjects, Business Studies.

NB: Art continues to offer catch-up sessions throughout the week.

## Film Of The Week (FOTW)

As you hopefully all know by now, my name is Mrs Milne, and I am Head of Film Studies here at CamVC. As a HUGE lover of Film, I thought it would be nice to share my weekly recommendations for you as a family to view. Some you will have seen or heard of, others will be a little more obscure, but all will be appropriate for the whole family and something for you all to share and enjoy. I will endeavour to select from a variety of viewing platforms/streaming sites, so there'll be something for everyone eventually.

My FOTW this week has been selected as we're coming to the end of Anti-Bullying week, and this year the theme has been **RESPECT**:

Available on BBC iPlayer, **Paddington 2** is the most beautiful tale of how respect and respecting those around you can help you overcome even the most serious of problems.

Our beloved and familiar bear finds himself in some hot water, and pink prison clothes, as he struggles to clear his name having been wrongfully accused of a crime. Supported by the wonderful, if not slightly maniacal, Hugh Grant (in what is surely one of the best comedy villains of all time), this film explores what it means to give and gain respect, while eating a lot of marmalade sandwiches!

A wonderfully funny and heart-warming tale that teaches all of us to be kind and respectful, no matter what.

# BOOK RECOMMENDATIONS

## ***Powerless***

By Lauren Roberts

X-Men meets The Hunger Games in this gripping fantasy romance. Only the extraordinary belong in the kingdom of Ilya. The exceptional. The Elites. The Elites have possessed powers for decades, gifted to them by the Plague, while those born Ordinary are just that, banished from the kingdom and shunned from society. Surviving in the slums as an Ordinary is no simple task, and Paedyn Gray knows this better than most. Posing as a Psychic in the crowded city, blending in with the Elites as best she can to stay alive and out of trouble is a task easier said than done. When she unsuspectingly saves one of Ilya's princes, Kai Azer, she's thrown into the Purging Trials, a brutal competition to showcase her 'Elite' powers. If the Trials and the opponents don't kill her, the prince she's fighting feelings for will if he discovers what Paedyn really is . . . completely Ordinary.

## ***Remembering the Fallen of the First World War***

By Sarah Ridley

Remembering the Fallen of the First World War takes a fascinating and detailed look at how servicemen killed during the First World War were commemorated. Beginning during the war itself, the book investigates how the sheer number of the dead precluded repatriation and normal burial, and so cemeteries close to the battlefields became the only realistic option. The book chronicles the work of Sir Fabian Ware and the Imperial (now Commonwealth) War Graves Commission in setting up permanent and beautifully maintained cemeteries after the war, as well as how more local memorials were introduced. The book also includes poetry written and artwork created to honour the fallen and offers advice on how young readers can find their ancestors' war graves.

**Duolingo Languages Competition open to Parents & Pupils**

For the competition, the aim is to use the Duolingo app or website to learn a language. You can continue learning a language you are already learning, or you can learn more than one language. The winner in each category will be the person who has gained the most XP, or Experience Points, within Duolingo by **9am on Sunday 1st December 2024**. There will be prizes for the winners in each category (Parents + all Year Groups). Duolingo is free of charge to use.

Parents and pupils can choose which languages to learn. Perhaps you wish to support your child learning the French, German and Spanish that we offer here at CamVC; maybe you wish to explore a less obvious language such as Swahili, Vietnamese or Hungarian. If learning a language was a new year's resolution, our competition might just give you that added impetus!

If you already have a Duolingo account, you can carry on using it for this competition. Pupils should sign up with their name and school email address so that the lucky winner can be given the prize.

Some Duolingo features are disabled to ensure participants' privacy and safety: you will not be able to participate in discussions, make friend requests, follow other participants or participate in leagues. The competition organisers will be able to see participants' names and progress until the close of the competition, and will be able to see the emails participants used to sign up. ## **New Style Rotary Club Comes to Cambourne - New Members, People of Action Wanted**

For more than one hundred years Rotary clubs across the UK have been doing excellent work in their local communities, supporting existing charities and good causes as well as running their own projects to benefit those in need.

The Rotary organisation is also known for its international presence, helping improve education, health and understanding in some of the poorest areas of the world. Rotary has played a major part in the virtual eradication of Polio worldwide.

There are currently four Rotary Clubs in and around Cambridge with over 120 members continuing the excellent traditions of the Rotary organisation embodied in their theme of "Service Above Self"

However, in recent years the organisation has not found it easy to recruit new members particularly among younger age groups. Rightly or wrongly Rotary is seen, by some, as a rather old fashioned organisation with formal regular meetings and an older demographic.

Therefore in a bid to dispel some of these myths the Rotary organisation is attempting to form a new style Rotary Club based in Cambourne aimed at those people who are interested in making a difference in their local communities in a club which is informal and friendly while being supported by an organisation which enjoys worldwide recognition.

To get things rolling we are holding two meet & greet get-togethers where people interested in learning more can come along, ask questions and find out a little more about what forming a club has to offer. The details are:

**Wednesday 20th November, 7 to 9 pm**

**Thursday 28th November 6 to 8 pm**

**Both meetings to be held in the Meeting Room, The Hub Community Centre, High Street, Cambourne, CB23 6GW**

David Ellis is heading up this new initiative he states "this is a great opportunity for adults of all ages to join an organisation that will help them improve communities both at home and across the world" he adds "Our new club will be shaped by it's members, they will decide what we focus on and how we go about achieving it"

While helping others is an important part of Rotary, having fun and building lasting friendships is also a major part of being a Rotarian. Membership is open to all, the new club is keen to draw from as many diverse groups as possible to mirror Cambourne's own diverse culture. We are looking for both individuals and couples to become members.

So, if you are a Person of Action who would like to know more either drop in at one of the Meet & Greet dates or email [davidellis365@btinternet.com](mailto:davidellis365@btinternet.com).

Thank you.

## COMBINED MINDS APP

Combined Minds is an app for parents and carers developed for teenage mental health charity Stem4 by Clinical Psychologists. The app aims to help families and friends support young people with their mental health.

Combined Minds use a 'strength based approach' which focuses on the positive attributes of the person and builds on resourcefulness and resilience. The app helps families to find ways to provide the right environment to help individuals they support affect their own change.

The app includes providing further information on certain needs such as anxiety and digital addiction as well as offering ways of accessing further help and useful suggestions of 'things you can do in the moment' to help support the young person.

More information can be found through the Combined Minds website at <https://combinedminds.co.uk/>

## Mental Health Text Line

A new local mental health free text messaging support service has launched across Cambridgeshire and Peterborough. **HEAR 85258** is being funded by NHS Cambridgeshire & Peterborough, in partnership with the national service SHOUT.

The free to use text service provides real-time support to people who are struggling with their mental health across the county.

When texting the word HEAR to 85258, the person will be connected to a trained volunteer who will offer them calm in a time or place of crisis. During the confidential and anonymous conversation, the texter will be supported while working on a plan of action and signposted to local and national mental health services.

**Texting HEAR to 85258** is free, discreet and runs 24/7. It won't appear on a mobile bill and requires no app, data, password, or registration. It is available for anyone who lives, works or studies in Cambridgeshire and Peterborough.

For more information about what mental health services are available in Cambridgeshire and Peterborough, visit [www.keep-your-head.com](http://www.keep-your-head.com)

If you feel your or somebody's life is at risk due to their mental health, dial 111 and listen for the option for the mental health crisis team.

- Protecting children
- Preventing harm to a child

This includes a variety of different aspects. We are here to help your child make good choices but also support them if they make a mistake.

We work with individual students, their families and external agencies.

### **What do we do at CamVC to safeguard your child?**

- **Staff are vigilant** – staff are very good at noticing small changes and listening to the concerns of those in our care. Tutors are well placed in this process, however all staff play an active role in this.
- **Designated Team** – we have a specific team of people working each day to address concerns raised by staff, pupils, parents and external agencies. This team works to make sure concerns are addressed and the appropriate support is advised
- **Pupil Voice** - we encourage pupils to speak to us or raise their concerns via the 'Report a Concern' button on their iPad
