RSE Policy Consultation

Dear Parents and Carers,

As a part of your child's education at Cambourne Village College, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, in line with the statutory guidance published by the Department for Education regarding the requirement to teach all secondary age pupils about Relationships and Sex Education (RSE), we are publishing a RSE policy and updating our provision of RSE to our pupils. Having consulted with staff and pupils we would now very much appreciate your input as part of this process and have made available our RSE policy, our PSHE curriculum plan, and a sample of RSE lessons and lesson plans for you to look through on our school website - www.cambournevc.org/parent-carer-and-student-information/RSE. If you would like to provide feedback on these via the questionnaire (also available via this link) as part of our parents' consultation, we would be very grateful. This consultation will end on Wednesday, 28th October 2020.

Yours faithfully,

Lucy Durrant
Head of Pastoral Intervention
