Term time plus 5 training days (39 weeks per year, 44.28 paid)

Contract: Permanent

The College is seeking to appoint an enthusiastic and motivated Science Technician to join our friendly, supportive, and outward looking team of teachers and technicians. The post holder will play a key role in ensuring the college's students receive a high-quality science education by providing resources and practical equipment for lessons at key stage 3 and 4. They will also play an important role in developing resources as we move towards sixth form opening in September 2023. Specific responsibilities will include:

- Preparing and providing resources and practical equipment for lessons
- Assisting in the development of lesson resources as we move towards opening a sixth form in September 2023
- Assisting in developing effective systems to manage resources and prepare equipment
- Assisting in the maintenance of science equipment

The successful candidate will be organised and self-motivated, have a high level of accuracy and proficient IT skills. They will enjoy working in a large team and be able to form strong relationships with team members and students. They will be supported in developing their skills and have significant scope to develop their skills the lead up to sixth form opening.

Cambourne Village College is an Ofsted 'Outstanding' rated, over-subscribed secondary school, eight miles from Cambridge. We opened as an academy of the Cam Academy Trust in September 2013. Our ethos is aspirational and inclusive, our staff highly motivated, our pupils courteous and hard-working, and we have excellent facilities. Joining Cambourne Village College represents a unique opportunity to work in a newly-established school within a wider, high-quality Academy Trust that gives excellent possibilities for professional and career development.
