

Cambourne Village College

Senior IT Technician

Required from September 2021, interviews from 1 September

Salary: NJC scale SO1 (point 23 to 25)
£27,741 to £29,577 per annum

Contract: Full-time and permanent (52 weeks)

Hours of work: 37 hours (8-4pm Mon to Thu, 8-3.30pm Fri)

Part of The Cam Academy Trust, Cambourne Village College is an expanding school with an ambitious IT strategy that seeks to fully prepare its students for the modern and future workplace.

To realise that ambition, each pupil at the College is provided with a 1:1 iPad and all our systems are geared towards cloud technologies. The success of these systems relies on the efficient maintenance of our systems, network infrastructure, and student, staff, and classroom devices and equipment.

We are looking to appoint a Senior IT Technician to lead our IT Support team to support both staff and students in all aspects of IT. You will be passionate about IT and work well, both as part of a small team, and under your own initiative, and seek to inspire those qualities in others. You will be willing to learn new skills and pass on your experience to others. This is an exciting opportunity for anyone looking to expand their knowledge and gain experience in all areas of IT support and management.

If you have any queries about this role please contact Paul Middleton pmiddleton@catrust.co.uk

To apply for this vacancy and to see the job description, person specification and application form please access our website: www.cambournevc.org/contact-us/vacancies

Closing date: Open until suitable candidate appointed

Interviews: From September 2021

The school reserves the right to interview shortlisted candidates during the application window

Our school is committed to safeguarding and promoting the welfare of children and young people, and we expect all our staff and volunteers to share this commitment. Appointment to this post would be subject to an enhanced DBS check and satisfactory medical and employment references.
