Information for Applicants

The Vacancy: Teacher of Drama

We are seeking to appoint an ambitious, innovative **Teacher of Drama from 1 September 2019**. This could be either a part-time position at 70% of a Drama timetable, or a full time post with the successful candidate also able to offer the teaching of Dance, and/or an English or PSHE-related subject.

The College is committed to providing a rich Arts curriculum. Both Music and Drama are popular subjects and are taught to all pupils at Key Stage 3, with the EDuqas Drama syllabus currently followed in KS 4. A candidate also able to develop the Dance offer at the College would be particularly welcome: there is insufficient interest in current Year 9 to be able to offer Dance as an option at KS4 in September 2019, although a strong group is entered for BTec this summer and we are keen for the subject to grow. The College hopes to be in a position to open a Sixth Form Centre on site in the near future, so the ability to offer drama-related Key Stage 5 study would be advantageous.

The Drama department is well resourced and taught in a well-equipped studio, and in the performance hall. We are currently fund-raising to equip this new performance hall with tiered seating and professional-quality theatre equipment. Teaching facilities are excellent across the College and IT development is ongoing: Year 8 will be the first cohort to be issued with iPads from this term, with the incoming Year 7 also part of this initiative. It is hoped to roll out individual iPads for pupils in all year groups over the next 2 - 3 years.

The school supports drama performances; high quality productions of Oliver!, Grease, and We Will Rock You have been performed as collaborations between the Drama and Music Departments since the College opened. This year, Macbeth the Musical, adapted and scored by our Head of Music and produced by the Head of Drama was performed

and received with huge enthusiasm. We are keen that pupils are given maximum opportunities to perform and develop their skills and self-confidence through participation in the performing arts, and seek an energetic, skilful and creative individual who will uphold this ethos. A part-time Drama technician, chartered librarian, IT technician and excellent TAs support our work.

General Information for Applicants

Context

Cambourne is a new settlement west of Cambridge. It is already a significant community and it continues to grow as further new housing is completed.

Cambourne Village College opened as a new 11-16 Academy and Free School of the Cam Academy Trust (formerly the Comberton Academy Trust) in September 2013. The College opened with six forms of Year 7 pupils and has grown by one new intake per year, our initial cohort sitting public examinations for the first time at the College in the summer of 2018. CamVC was initially built for a roll of 750 students, but has expanded rapidly to accommodate seven forms of entry, with a current roll of approximately 1050. One new wing was added in 2017, a further wing is to be constructed in 2019, and plans are underway to add a second campus of accommodation in readiness for Cambourne West, a new, substantial development of approximately 2400 homes, due to be built imminently on land adjacent to the College, This very large additional building project is planned to open in 2023, with a Sixth Form Centre on site from 2024. The school

has rapidly gained the support of the local community and co-operates strongly with its catchment primary schools, all situated in Cambourne.

The CAM Academy Trust

All staff at Cambourne Village College, along with those at Comberton Village College, Melbourn Village College and St Peter's School, Huntingdon, are employees of the Cam Academy Trust, whose Chief Executive is Stephen Munday. The Trust has recently become significantly cross-phase with the membership of five primary schools and more under negotiation. The schools share a number of high-level executive Trust staff, for example in Finance, IT and HR, and are working towards ever-closer educational cooperation.

Cambourne Village College has worked in particularly close partnership with Comberton Village College from the outset. Most members of Cambourne staff were initially based at Comberton and many worked across the two sites for the first two years of opening, allowing subject specialists to deliver the vast majority of teaching.

Designations

Following its first, very successful, Ofsted inspection, the College gained Leading Edge status and successfully bid to become a Teaching School, a designation it holds jointly with Comberton Village College, within the Cambridge Area Teaching Schools Alliance. From September 2019, CamVC will become a partner school of the Faculty of Education at the University of Cambridge, in its own right. We are actively developing our work with trainee teachers, and employ a number of Specialist Leaders of Education, to increase our capacity to take on a range of school-to-school support work. The College encourages research, with a number of staff participating at a range of levels. We are continually developing our CPL offer for our staff, with many teachers participating in Trust- based programmes.

In 2018, Cambourne Village College was a finalist in the Pearson School of the Year Awards, winning Silver in the 'Making a Difference' category – a huge accolade for a school only five years old, and a reflection of the very strong relationships already developed with the local community.

Standards

Extremely high standards of achievement and pastoral care have been quickly established, as recognised by the 'Outstanding' grade in all four Ofsted inspection categories, awarded to the College in May 2015 – a rare achievement for a new secondary school in its fifth term of opening. The report noted:

'The progress of students is rapid and sustained, regardless of their prior attainment. Most students are already working at levels that would be typical for their age, and a significant proportion are on track to exceed these standards.'

'Teaching is outstanding, and consistently effective. Teachers see no barriers to rapid progress for any student and positive relationships encourage students to realise these high aspirations.'

'Students' behaviour in lessons is exemplary. They are enthusiastic about their learning and work confidently without interruption.'

An annual Cross-Trust Review process confirms these high standards are maintained.

The first set of GCSE results for the College were awarded in summer 2018. The school achieved a 'significantly above the national average' ranking for the KS4 Overall Progress 8 measure at 0.34, with the % of 5+ grades including Maths and English at Grade 4+ also 'significantly above the national average.' We are now focused on building on this excellent first set of public examination results, with projects under way to develop whole school vocabulary acquisition, pupils' skills of metacognition, and to narrow the differential between boys' and girls' achievement.

Broad Education

The school's formal day runs from 8.35am to 3.00pm with 6 timetabled lessons of 50 minutes per day, run over a two-week cycle. Pupils see their tutors daily - most teachers are also form tutors - and have a weekly assembly. Details of the curriculum taught in each subject can be found on our website under the *Parent, Carer and Student Information* tab. However, we believe that education should be broad and should give opportunities to develop individual interests. Many members of staff also offer activities within a very full and wide-ranging extra-curricular programme that runs each day from 3.00 p.m. There are many school trips and visits, both national and international, supported by a central Trips Administrator.

The outlook and ethos of Cambourne Village College are fully in line with the tradition of Village Colleges established as the vision of Henry Morris in the first part of the twentieth century for community-based schooling. Cambourne Village College has, from the outset, sought to be at the heart of its community and to serve the needs of the whole village, not just our 11-16 year olds during the designated school day. The College is open on almost every evening and weekend for adult education classes and extensive community use of our excellent facilities.

A long-term project is currently under way to equip all pupils with their own iPad; this Trust-wide initiative underwent a pilot at CamVC last year and has been launched with our current Year 8 pupils with a view to this beginning from the summer term of 2019.

Pastoral Organisation

Pastoral care in the College is overseen by the Deputy and Assistant Principals responsible for the supervision of the year teams. Each Year Team consists of a Head of Year, Assistant Head of Year, administrative support, and a team of tutors. Most teaching staff will have responsibility for a tutor group and most teachers carry out 4 duties around school over the two-week cycle.

The Premises

We are fortunate to work in a newly-built school, furnished, decorated and equipped to a high standard, with excellent facilities for teaching and learning. Sports facilities include 3G pitch, sports hall and gymnasium; performance facilities are under further development and include drama/dance studio and large performance hall. Music is taught in a separate, dedicated wing. High speed broadband, good access to computers and sets of class iPads enhance learning. Since its outset, the College has employed a full-time, qualified librarian. The library is a vibrant learning space and is highly valued by pupils and staff.

The Staff

Our staff are highly skilled, highly committed, innovative, mutually supportive and sociable. Joining Cambourne Village College represents a remarkable and exciting professional opportunity. It offers the chance to help to establish a new and rapidly growing school whilst working within a wider high-quality Academy Trust which gives excellent possibilities for professional and career development. Staff morale is extremely high, evidenced in our Investors in People report: 'People describe high levels of camaraderie and teamwork, also the opportunity to influence change. There is shared motivation to achieve and people are loyal and enthusiastic about the Academy. There is a culture of praise and recognition, which people buy in to'. In our most recent staff survey, (November 2017) 97% of all staff agreed or strongly agreed with the statement: 'I am proud to work at Cambourne Village College.'
